Re: Report required by Education Article § 5-111.1 (MSAR # 11323)

Dear President Ferguson and Speaker Jones:

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school agency (LEA) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Garrett County Public Schools is attached for your review. Should you have questions or need additional information, please contact Dr. Nicole Miller, Chief Academic Officer, by phone at (301) 334-8937 or email at nicole.miller@garrettcountyschools.org.

Sincerely,

Dr. Brenda McCartney, Superintendent
